

MADI Parent/Team Code of Conduct Form

Are you a Team Member? Manager? Parent? Relative? Sibling? Friend? Official? General Spectator?

DO YOU KNOW THE MADI RULES?

Our Tournaments will be a positive, safe and fun experience for all if:

1. Responsible adults supervise all minors (team members & siblings).
2. Everyone respects and obeys any signs inside or outside the building.
3. Everyone respects all property, including lockers, displays, classrooms, and grounds.
4. Everyone keeps all food & drink in the cafeteria.
5. Everyone knows Prop Areas are used as storage areas only.
6. Everyone knows electrical outlets are "off limits" for everyone.
7. Everyone knows that glue guns, power tools, and anything that could cause damage isn't allowed.
8. Everyone knows all materials (like make-up) are carefully used without leaving stains.
9. Everyone acts in a safe manner: no running, climbing, throwing (even balls) & rough housing.
10. Everyone demonstrates good sportsmanship. Rudeness, name-calling, insults, profanity or asking others about scores is not allowed.

WHAT IF YOU BREAK THE MADI RULES?

EVERYONE at our tournaments will be held accountable for their behavior.

ANYONE not following the above rules will cause a team to receive a penalty and or disqualification.

We hope you realize your behavior can impact the team you are here to support.

DO YOU KNOW THE RULES of INTERFERENCE?

Our teams will have the opportunity to experience "DI" and learn more if:

1. Everyone knows that only the team can assemble, prepare, or repair props.
2. Everyone knows that only the team can apply makeup, work on hairdos, costumes, etc.
3. Everyone knows that only the team can work on props, costumes, directing, and staging.
4. Everyone knows that all the research, ideas, and solution are those of only the team members.
5. Everyone knows that only the team members will answer the questions of the prep appraiser.
6. Everyone knows that paper work is completed by the team. (Rising Star and Elementary teams may have their manager script their words.)

WHAT IF YOU BREAK THE RULES of INTERFERENCE?

EVERYONE needs to help enforce the Rules of Interference.

ANYONE not following the above rules will cause a team to receive a penalty and or disqualification.

We hope you realize your actions can impact the team you are here to support.

Our tournaments must be a positive, safe and fun experience for all.

Our host sites must be left in great shape & the staff knows we appreciate the use of their space.

Our teams must get as much out of the "DI" experience as possible.

These rules will be in effect at all Massachusetts Destination Imagination tournaments.

We agree to abide by these rules and we understand the consequences of violating them.
