**Thank you** for volunteering for the Region 3 DI tournament. This year we have 69 teams showcasing their hard work and, without your help, this would not be possible!

When you arrive on March 3rd, park in a marked spot between ASRHS and Page Hilltop Elementary, place your appraiser placard on your dashboard so it is visible, and proceed to your challenge location. After you check in with your Regional Challenge Master, visit the Appraiser's lounge to grab coffee and some breakfast. This is the tentative location of each challenge...this is subject to change, and if changes are made, we will email you with updated information.

#### **Where is Ayer-Shirley Regional HS?**

Ayer Shirley Regional High School is located at 141 Washington Street, Ayer, MA.

#### **When do I arrive and where do I go?**

Your RCM (Regional Challenge Master) will contact you for a specific meeting time but generally you should plan to arrive by 7:30 am. Stop by the Officials' Lounge located on the first floor for coffee & donuts. A complimentary lunch will also be served in the Official's Lounge during your break; you do not need to purchase lunch in the cafeteria. We will have vegetarian options available. We will also provide water and beverages throughout the day. If you have other dietary concerns, please let us know immediately.

### **Where do I park?**

We are going to be very diligent again with parking this year, as always. Please park responsibly, and put your Parking Placard on your dashboard (it will be emailed to you). Please make sure you are parked within a spot.

### **What do I bring?**

Enthusiasm, a sense of humor, and any paperwork provided to you at your appraiser training. We will provide all other materials needed, including lunch, water and snacks throughout the day.

### **What do I wear?**

Dress casually and comfortably. We will present you with a keepsake Officials Apron and pin at the morning meeting with your RCM. You will wear this all day to identify yourself as an Official. **Also, we encourage you to wear the most creative “headgear” you can imagine, and enter the Appraisers’ Hat Contest during Closing Ceremonies. This event is a highlight for both teams and officials. Be as creative as you can be...we call it headgear because most are far beyond just a mere hat!**

### **When can I go home?**

Challenge appraisers will need to stay **until ALL your teams have finished AND the Score Room Manager has given the all clear for your challenge.** All day volunteers will need to stay until the building is clear. We anticipate Closing Ceremonies will begin around 5:30 pm and will conclude about an hour later. We hope challenge appraisers will join us at Closing Ceremonies for the Appraisers’ Hat Contest.

\*Additionally, if you are willing and able to stay beyond the time frame of your role’s requirements, we are in need of general help, and would gladly take you up on an extra few minutes. If you are interested in helping out with the tournament beyond your assigned role’s duties, please email Nicole Caligiuri, or speak with All Day Volunteer Coordinator Caroline Szescuil at the front entrance of ASRHS when you arrive.

### **Who do I call if I have a problem?**

You can call:

Nicole Caligiuri, one of the co-regional directors for Region 3 at 978.855.5439, or Adam Vigneaux, the other co-regional director for Region 3 at 508.688.4042.

***Thank you again and we can’t wait to share this amazing day  
with you and the kids!***
