

Rising Stars – Instant Challenge

We want the kids to have fun and be excited about IC.

Instant Challenge is not scored for Rising Stars.

Challenges are age-appropriate and usually involve:

- A little art
- A little acting
- A fun problem to solve

Not all team members have to participate

Up to 3 Team Managers can come into the room with the team

No Parents in the room

Two types of Instant Challenges – usually combined for RS:

- Task-Based: given materials and asked to make or build something – sometimes to create props for a performance.
- Performance-Based: given a scene and some guidelines and asked to create and deliver a performance. Can be with or without props (real or imaginary).

Instant Challenge Must be a secret. Teams don't know what they will get until they walk into the room. All teams in the competition level and central challenge get the same challenge at the tournament (for you, that's All Rising Stars!).

Teams can prepare for IC by practicing ICs at each team meeting.

We have a kit for you as TMs for Rising Stars with sample challenges you can use to practice. You can tweak the challenges and use them over and over again.
